## ADMINISTRATION FOR CHILDREN AND FAMILIES

### REQUEST FOR APPLICATIONS

- AGENCY:** U.S. Department of Health and Human Services, Administration for Children and Families (ACF)
- ACTION:** Announcement of availability of funds and request for applications to sponsor an Early Head Start program in **Harris County, TX.**
- SUMMARY:** The Administration for Children and Families solicits applications from local public or private non-profit or local for-profit organizations that wish to compete for funds which are available to provide Early Head Start services in the following service area within **Harris County, TX: within Harris County, an area bordered by: (1) Loop 610 on the north; Loop 610 West to North to East on the south; Hardy Road on the east; and Studewood Street on the west; (2) An area bounded by Tidwell**

**Road on the north; Loop 610 on the south; Hardy Road on the east; and North Main Street on the west; (3) An area bounded by E. Mt. Houston Road; Lynnfield Road on the south; Hirsch Road on the East; and Hardy Road on the west; and (4) Pasadena Independent School District boundaries (Service Area # EHS-TX-175).** Faith-based organizations are eligible to apply. The Head Start Act authorizes the Secretary to designate as an Early Head Start agency any local public or private nonprofit or local for-profit agency within a community. In the remainder of this document the term "Early Head Start program" means an Early Head Start program which serves pregnant women and children from birth to age 3.

The funds available in this competition will be awarded to applicants who compete for select service areas that are open for competition. The select service areas that are open for competition are communities that received Early Head Start grants for five year project periods. Upon completion of the five year project period, the funds are recompeted in the service areas where Early Head Start services are currently being provided. These are the only service areas open for competition in this Announcement.

The intent of this announcement is to provide for the continuation of services in the service area defined above within **Harris County, TX**. Funds in the amount of approximately **\$1,098,516** annually will be available to provide Early Head Start program services to eligible children and their families.

The current grantee is funded to operate an Early Head Start program until **August 31, 2003** in the above service area. Head Start regulations allow for a variety of program options and designs. Applicants should propose a design or designs that best address the needs of the proposed service area. Applicants have flexibility in determining the appropriate number of children to be served by the various program options (center-based, home-based, or combination) and program designs (hours per day, days per week, weeks per year.)
